

CITY OF LODI

PUBLIC WORKS DEPARTMENT

COUNCIL COMMUNICATION

TO: City Council
FROM: City Manager
MEETING DATE: November 28, 1990
AGENDA TITLE: Purchase of Oils and Lubricants

RECOMMENDED ACTION: That the City Council authorize the purchase of the annual requirement of various oils and lubricants from two bidders, Mel Bokidas Petroleum of Stockton and Roberts Petroleum Service of Lodi.

BACKGROUND INFORMATION: On September 4, 1990, the City requested informal bids for annual requirements of oil and lubricants, anticipating that the total dollar amount bid for annual quantities would be under \$5,000.

Bids were received from five bidders and opened on September 12, 1990. Results of the bids are shown on Attachment A.

The low bidder for motor oil, gear lube, and all-purpose grease, BC Stocking of Vacaville, requested an all-or-nothing award but failed to meet the specifications for the 15-40W Motor Oil.

The second low bidder for motor oil, Mel Bokidas Petroleum, Bid #2, also failed to meet specifications for motor oil, but did submit low bids for the #32 Oil and Automatic Transmission Fluid.

Roberts Petroleum Service met specifications for Hydraulic Fluid Type E, Hydrtulic Oil R0F-ISO 946, 80-90W Gear Lube, and Wheel and Chassis Grease, but failed to meet specifications for the 15-40W Motor Oil, the Automatic Transmission Fluid, and the Stoddard Solvent.

Mel Bokidas Petroleum, Bid #1, met the specifications for the 15-40W Motor Oil and the Stoddard Solvent.

It is recommended that the City Council award bid items 1, 2, 3, 4, and 9 to Mel Bokidas Petroleum, and award bid items 5, 6, 7, and 8 to Roberts Petroleum.

Because of the volatile Mid-East situation, neither supplier is able or willing to lock in a fixed price, but both agree to pass on only verifiable manufacturers' increases.

APPROVED:

Thomas A. Peterson
